MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: The President's Report on US and Soviet Forces

1. I would like to get some talking points prepared to provide a comparison of the commitment (perhaps in broad budget numbers as with Soviet rocket forces vs. our strategic capabilities -- missile defense and other categories which readily lend themselves to that kind of comparison), and R&D and other developmental activity in each of the categories in which there are comparisons of specific actions on page 1.

2. I would like to have this by COB Thursday, 14 October.

William J. Casey
